ABOUT US

Welcome to Chechil, where artisanal craftsmanship meets natural goodness in every string of cheese. Our passion is rooted in creating handcrafted, all-natural string-cheeses that are as versatile as they are delicious. Our cheeses are made using traditional methods, ensuring a unique, authentic flavor that pairs perfectly with beer, wine, or enjoyed on its own.

We're committed to simplicity and quality, bringing you cheese that's not just a snack, but a gourmet experience. Join us in celebrating the art of fine cheese-making with every bite.

On our travels to Europe and Central Asia, we fell in love with Chechil, a local favorite in every bar and restaurant. Unable to find it in the US, we went to Europe to learn the process of making it and acquired it's coveted secret recipe. Today, we're proud to be the first and only Chechil makers in the US, delighted to share its unique flavor with you.
